How does the workshop work?

Simon Hettrick
The four tenets

1. Meet new people
2. Information’s on the website
3. Email everything (except attachments)
4. We’re flexible
Events team

- Rob Baxter
- Neil Chue Hong
- Steve Crouch
- Simon Hettrick
- Megan Meredith-Lobay
- Shoaib Sufi
- Gillian Sinclair
Feedback

• Questionnaire
Announcements

• Wireless
• Health and safety
• Photographers
The Agents Network
Creating a better understanding of research

• A group of software-savvy researchers from all disciplines
• Agents connect their research discipline to the Institute
• Provide conference intelligence and more
  ▪ http://www.software.ac.uk/agents

www.software.ac.uk  info@software.ac.uk
Collaborative ideas

• Go to the hall and grab a coffee
• Group number on your name badge
• Find appropriate table
• Introduce yourself
• Pair up, decide on a collaboration and one of you write it up
• Pin your best ideas on the Collaborative ideas board
